11/11/2020	 5.0 Quality: 5.0 Customer Service: 5.0 Value for Money: 5.0	Review by Jonathan S. in Stafford, VA Project: Inspect a Home Comments: Kenton was my inspector, he did a phenomenal job. After giving us a detailed report he noticed something suspicious in the photos. He texted and asked to come back to verify if that was an issue with the property. It turned out not to be anything major but the effort shown was top notch. My next investment property in the area will be inspected by him. Add Your Comments to This Review
